**Re: Information Request dated January 28, 2013**

Dear Yolanda, LaVerne and Charles:

We are in receipt of your information request dated January 28, 2013. During the negotiation session on January 31, 2013, we jointly reviewed the information request and have noted the modified information that will be provided where appropriate.

***1. A list and count of employees by department, worksite location, job title and benefit class (B, C, D) with number of hours worked in 2012.***

As discussed during our negotiation session on January 31, 2013, we are unable to provide worksite location; however, in some cases PeopleSoft does provide department division information and we have included that information where available. In addition, we have provided the number of hours worked in 2012 for part-time employees only, as discussed. Please note that, for both MEF and CEO, the data pulled from PeopleSoft did not produce any employees in the 25-29 hour benefit category, and that the data contained in the attachment is of actual positions per PeopleSoft.

Please see Attachment 1.

**2. A list of current salary information for each incumbent to include date of hire, date appointed to current position, fund in which personnel costs are accounted, e.g. general fund.**

As discussed during the negotiation session on January 31, 2013, we are providing a report that includes the employee's hourly rate, date of hire, and date appointed to current position. In addition, we are providing the vis-code that the employee is funded from. Vis-codes beginning with 001 are General Fund vis-codes. As discussed, if an employee is funded by multiple funding sources, they will appear on the report multiple times. Please note that, for both MEF and CEO, the data pulled from PeopleSoft did not produce any employees in the 25-29 hour benefit category, and that the data contained in the attachment is of actual positions per PeopleSoft.

For your reference, we have included the Summary of Fund Activity and the Fund Descriptions from the FY 2012-2013 Adopted Operating Budget, which may assist you in identifying the various vis-codes. Please note that, given the confidential nature of the information contained in this report, we will not be posting this attachment.

Please see Attachment 2.

NOTE: The Grand Total in the Total City Source and Use of Funds schedule is higher than the Estimated Sources and Uses Available in the Summary of Fund Activity schedule because the Summary of Fund Activity schedule excludes the following capital improvement program funds to avoid double-counting of the same funds: General Fund Capital Improvement Fund, General Purpose Parking Fund, Integrated Waste Management Fund, and Library Parcel Tax Fund. In the Total City Source and Use of Funds schedule these funds are excluded through the netting of transfers, loans, and contributions.

Reasons for Change Between 2012-2013 Beginning Fund Balance and 2012-2013 Ending Fund Balance at Greater than 10%

- 1 Beginning Fund Balance primarily contains funds to support prior year activities. Also surplus revenues and/or expenditure savings were accumulated in the prior year and then utilized for budget balancing purposes.
- 2 Once the rebudgeting of prior year's one-time activities has been removed from the Beginning Fund Balance, change in fund balance is within the 10% change.
- 3 Surplus revenues/and or expenditure savings were accumulated and then used for various one-time uses.
- 4 Fund balances are volatile. Funds utilize expenditure projections based on fees and charges estimates that support planned changes in cost recovery rates.
- 5 Ending Fund Balance is being accumulated to support uses in future years.
- 6 Planned elimination/establishment of fund.
